

Medication Assisted Treatment Webinar

Effective September 1, 2020, Arkansas Medicaid supports clients with Opioid Use Disorder (OUD). Medication Assisted Treatment (MAT) is the use of medications in combination with counseling and behavioral therapies for the treatment of substance use disorders.

This MAT webinar provides additional information on how to become a MAT provider, MAT services and reimbursement with Medicaid.

If you have additional questions or would like further outreach on becoming a MAT provider, please [contact your AFMC Provider Relations](#) outreach specialist.

Sincerely,
AFMC Provider Relations
