

PCP Profile Report

The PCP Profile Report provides the following information for a Medicaid PCP: Member costs per member per month, total member costs, percentage of members by age, gender, race, and disease, CHMS/DDTCS costs, attributed prescription costs, emergency room costs, and much more information. **These reports are posted to the Medicaid physician portal.** If your provider isn't receiving these reports, or if more information is needed, please contact Gina Redford, M.A.P., Program Manager, Health Services Advisory Group, at 501-801-5881 or via email at gredford@hsag.com.
