

# Provider Relations Outreach Specialist

## ***Patient Centered Medical Home (PCMH) Per Beneficiary Per Month (PBPM) Payment Report***

In the new MMIS system, all capitation payments are summed as a one-line item on your Remittance Advice (RA). To see the line item details of your PBPM payments, a report has been added to the provider portal.

To navigate this report, please log into the portal and select “Files Exchange”. You will then select Provider Downloads and from the drop-down menu, select MC/CAP Payment Listing (PCMH). Please ensure the date range selected includes the week before your RA date.

Provider Portal > File Exchange > Provider Downloads > MC/CAP Payment Listing (PCMH)

Thank you for your continued support of the PCMH program. ***If you have any questions or concerns, please contact the Arkansas Medicaid APIL Help Desk at 501.301.8311 or [ARKPII@dxc.com](mailto:ARKPII@dxc.com).***
