

Provider Relations Outreach Specialist

New PA Process

Medicaid prior authorization requests will soon be submitted through the Medicaid Provider Portal rather than the AFMC ReviewPoint portal. This will include the following types of requests: durable medical equipment, molecular pathology, extension of benefits, physician drug reviews, continued hospital stays, surgical procedures, assistant surgeon, targeted case management and personal care.

Join AFMC for the MMIS Portal Registration/ PA Webinar

Tuesday, April 16

Webinar 10 a.m. – Noon

[Register here](#)

Thursday, April 25

Webinar 2 – 4 p.m.

[Register here](#)

We encourage you to familiarize yourself with the Medicaid Provider Portal and be sure you are registered or added as a delegate by your administrator.
