

Steps to Obtain Your MAT Waiver

1

Take 24 hours of required MAT waiver training

PCSS offers for FREE the required 24 hours of medication assisted treatment (MAT) [waiver training](#) with continuing education (8- and 16-hour MAT waiver trainings).

Check Your Eligibility

To apply for a waiver you must have a valid medical license and an active DEA number. Apply for a DEA number with Drug Enforcement Agency's Diversion Control Division (Registration Support) [here](#).

2

Complete your Notification of Intent (NOI) Form

Once you have finished the 24 hours of MAT waiver training, complete the NOI form [online](#) and submit it to the Substance Abuse and Mental Health Services Administration (SAMHSA) for review.

3

Forward your Certificates of Completion to SAMHSA

When you complete the 8- and 16-hour MAT waiver trainings, PCSS will send you via email your Certificates of Completion for each. [Email](#) the certificates to SAMHSA.

4

Once SAMHSA has obtained all documentation, the process may require up to 45 days.
